

2022-2027

STRATEGIC PLAN

SUMMARY

MAY 2022

MISSION

The Wyoming Arts Council provides leadership and invests resources to champion, sustain, and cultivate community through the arts.

VISION

The Wyoming Arts Council envisions a Wyoming where the arts are a driving force in the social, economic, educational, and everyday life of its citizens.

PEOPLE FOCUSED

PRIORITY

STRATEGY

1. Make equitable investments in the skills and passions of artists and organizations supporting the arts

A. Provide ongoing support of individual artists across disciplines

B. Host and promote learning and professional development opportunities (for artists, organizations, educators, and arts administrators)

C. Provide ongoing support for operating, projects, and arts learning programs

D. Promote individual and community wellness through and with the arts

2. Forge connections in/and between communities to/and through the arts

A. Directly engage with communities (opportunities and programs presented by the Arts Council)

B. Amplify and promote news/information about state-wide needs and opportunities

3. Sustain and grow the Wyoming Arts Council in support of its mission

A. Maintain basic internal operations

B. Maintain and grow funding

C. Work and lead with accountability to our values
